

SANTÉ MENTALE

Feuille du meneur

Les Ombres d'Esteren

PJ:

The diagram illustrates a conceptual model of mental states. It features four horizontal rows of circles, each with a label above it. The first row is labeled 'Équilibre' and contains five circles. The second row is labeled 'Symptôme' and contains five circles. The third row is labeled 'Syndrome' and contains five circles. The fourth row is labeled 'Folie' and contains five circles. Below these rows, the word 'TRAUMA' is written in large, bold, capital letters, positioned directly beneath the 'Symptôme' row. The circles in the 'TRAUMA' row are partially filled with a light blue color, while the other circles are white.

PJ:

The diagram illustrates the progression of psychological states. It starts with 'Équilibre' (Equilibrium) on the left, followed by a vertical line. To the right of the line, the word 'TRAUMA' is written in large, bold, capital letters, followed by a colon. After the colon, there are five groups of five small circles each, representing different states: 'Symptôme' (Symptom), 'Syndrome' (Syndrome), and 'Folie' (Folie). Each group of circles is preceded by a small vertical line.

PJ:

The diagram illustrates the progression of Trauma through four stages: Équilibre, Symptôme, Syndrome, and Folie. Each stage is represented by a series of circles. In the first stage, 'Équilibre', there are 6 circles. In the second stage, 'Symptôme', there are 5 circles. In the third stage, 'Syndrome', there are 6 circles. In the fourth stage, 'Folie', there are 5 circles. The stages are arranged horizontally, with 'TRAUMA' written above the first stage.
